

RETAIL NURSERY AVAILABILITY LIST

Plant Locator & Edibles List

Updated 9/6/24

Here at Annie's we grow thousands of different plant species right on site. We grow from seeds, cuttings and plugs and offer all plants in 4" containers. Plants available in our retail nursery will differ than those we offer online, and we generally have many more varieties available at retail. If a plant is listed here and not available online, it is not ready to ship or in some cases we are unable to ship certain plants.

PLEASE NOTE:

This list is updated every Friday and is the best source of information about what is in stock. However, some plants are only grown in small quantities and thus may sell quickly and not be available on the day you arrive at our nursery.

The location codes indicate the section and row where the plant is located in the nursery. If you have questions or can't find a plant, please don't hesitate to ask one of our nursery staff. We are happy to help you find it.

Seasonal available Edibles are listed at the end of this Plant Locator List and may be found in the Edibles Section of the Nursery

ww	☼	ITEM NAME	LOCATION
		Abutilon 'Canary Bird'	15-C
		Abutilon 'David's Red'	15-D
		Abutilon 'Savitzii'	17-D
